

Anesthesia Grand Rounds

Blood, Balance, and Birth: Management of Postpartum Hemorrhage

September 29, 2026

6:30 AM - 7:30 AM

Speakers:

Mollianna Walker, MD
Assistant Professor
MUSC

At the end of the presentation, participants should be better able to:

- 1 Recognize risk factors and early clinical indicators of severe postpartum hemorrhage and initiate timely anesthetic management.
- 2 Select appropriate anesthetic techniques, monitoring, vascular access, and hemodynamic support based on the severity and trajectory of obstetric hemorrhage.
- 3 Apply current evidence-based strategies for uterotonics, tranexamic acid, fibrinogen replacement, and massive transfusion in postpartum hemorrhage.

The Medical University of South Carolina designates this Live Activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Medical University of South Carolina is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor Continuing Medical Education for physicians. In accordance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education anyone involved in planning or presenting this educational activity will be required to disclose any financial relationships with any ineligible companies. This information is listed below. Any financial relationships with these ineligible companies have been mitigated by the MUSC Office of CME. Speakers who incorporate information about off-label or investigational use of drugs or devices will be asked to disclose that information at the beginning of their presentation.

Name of individual	Individual's role in activity	Nature of Relationship(s) / Name of Ineligible Company(s)
Robert Bowen, MD	Activity/Course Director	Nothing to disclose - 06/25/2026
Angie Maguire, C-TAGME	Activity Administrator, Activity Coordinator	Nothing to disclose - 06/12/2026
Mollianna Walker, MD	Faculty	Nothing to disclose - 08/16/2026
